

Bulk Granola & Trail Mix

WE KNOW GRANOLA

Since 1977, New England Natural Bakers has been producing healthy, delicious, natural foods that offer consumers taste, quality and ingredients that exceed their expectations.

We offer the attributes consumers expect, including Organic, Non-GMO Project Verified, low fat, and no sugar added options in our bulk granola and trail mixes.

Along with our first class customer service to the consumer and the natural foods industry, New England Natural Bakers demonstrates our commitment to the highest of industry standards.

- NENB is third party certified by Quality Assurance International (QAI)
- NENB is Kosher certified
- No sulfite or coloring dyes in any of our fruits
- Exceptional customer service
- All cereals and trail mixes are produced in our SQF Level 3 facility
- NENB offers competitive prices

New England Natural Bakers is invested in finding ways to preserve our planet's valuable natural resources by donating 10% of all brand profits to environmental and social improvement causes.
