

PRIVATE LABEL/CO-MANUFACTURING PRODUCTION AND PACKAGING

New England Natural Bakers' approach is a bit different because we...

Care about our customer

- Relationships are developed to last, based upon our values of Trust, Integrity, Excellence, and Sustainability
- First class customer service

Provide consistent quality, time and time again

- We've maintained our artisanal process within a framework of controls to insure excellence with every batch
- Our implementation of an SQF Level 3 management system sustains food safety and quality
- Additionally, we develop specification for your custom product(s)

Produce excellent products, meeting your timeline

- Over 50 years of combined product development expertise
- Predictable quality and engineering expertise
- We work with you to meet your timeframe

Earn your confidence in our manufacturing abilities

Still not sure?
